Aeropedellus clavatus

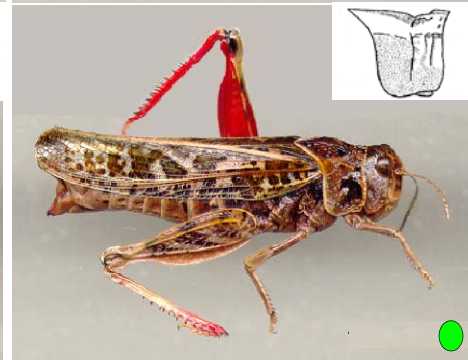

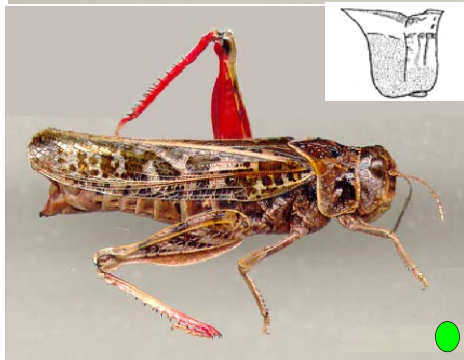

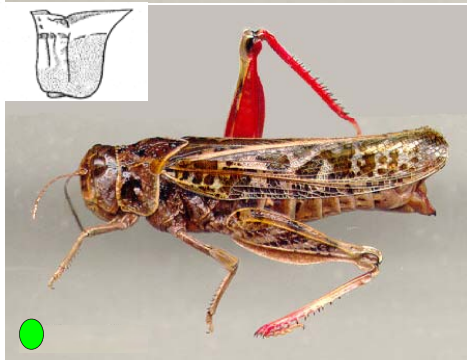

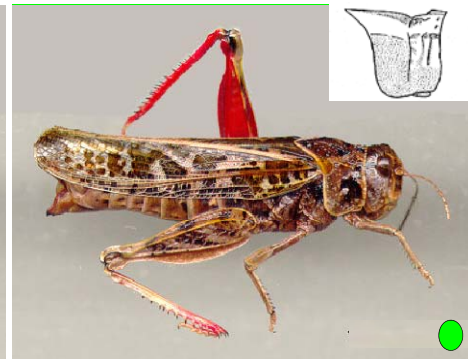

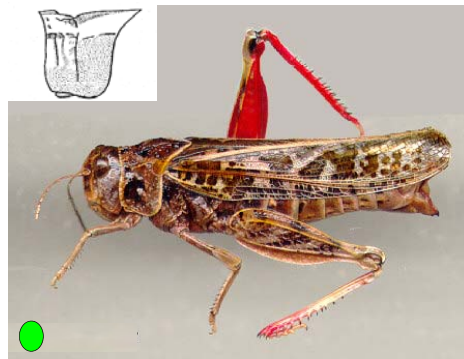

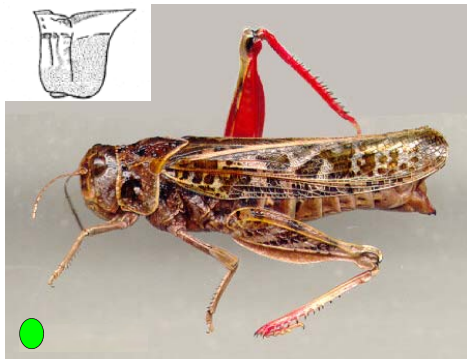

Camnula pellucida

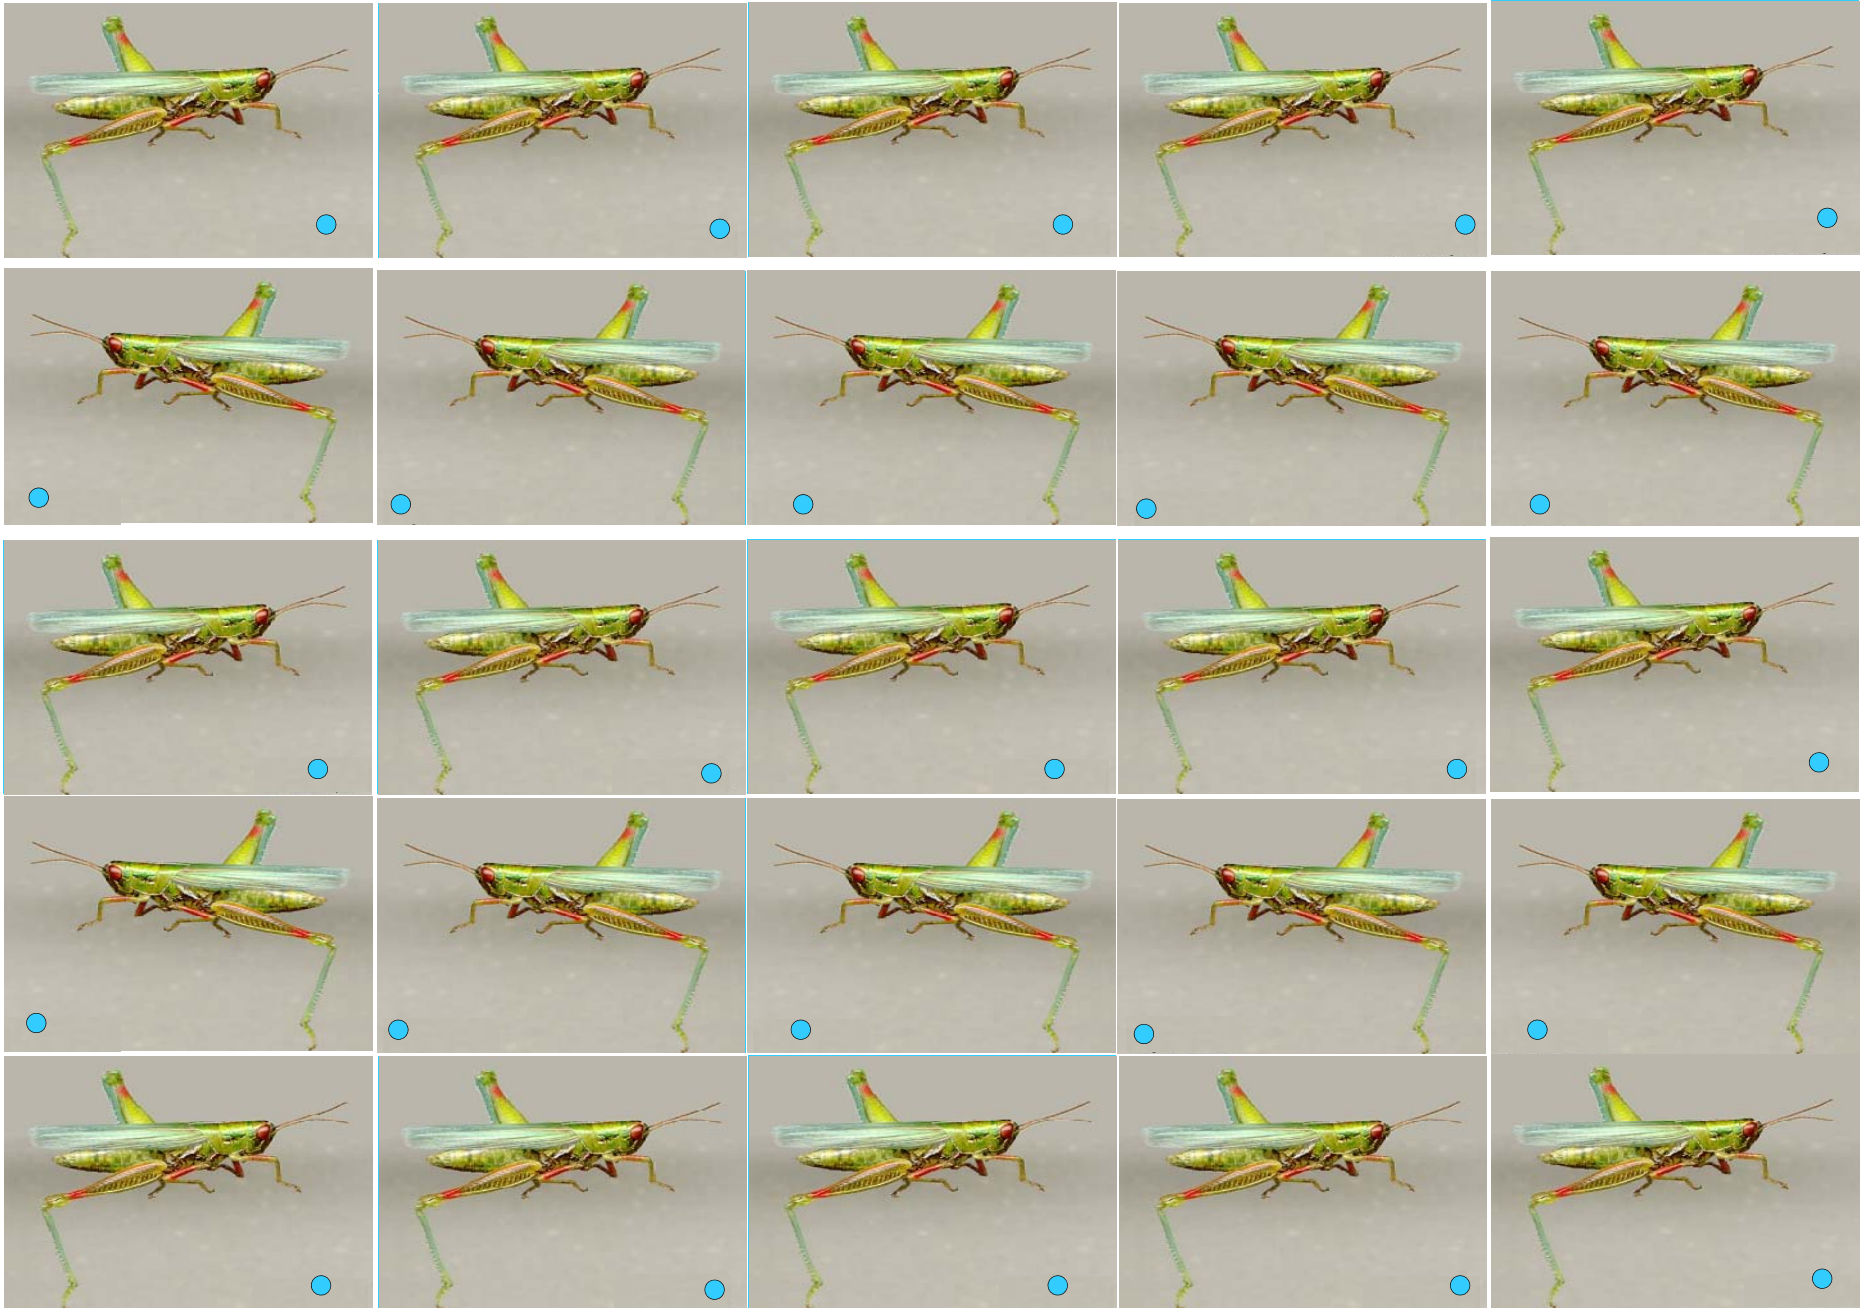

Cratypedes neglectus

Xanthippus corallipes

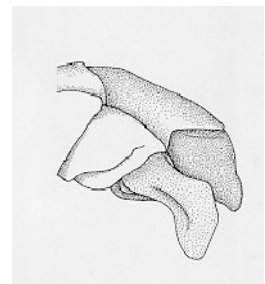

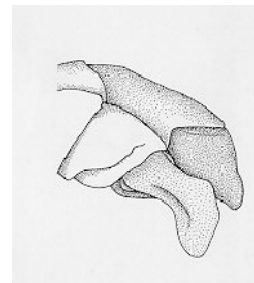

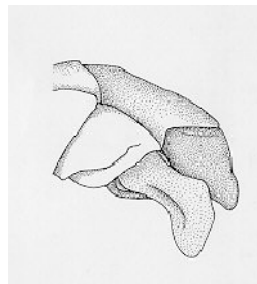

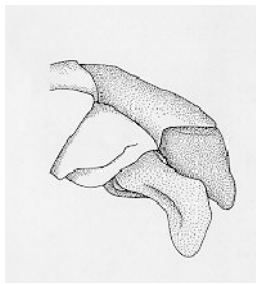

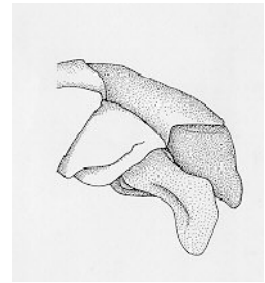

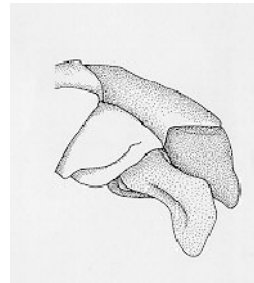

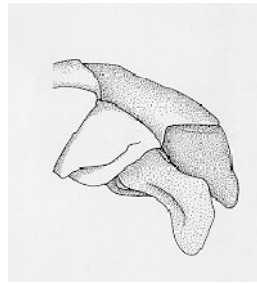

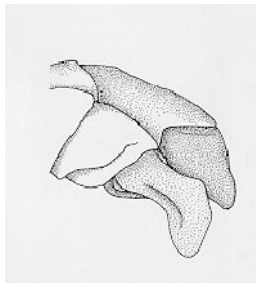

Hesperotettix viridis

Melanoplus bivittatus

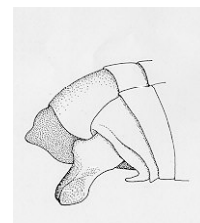

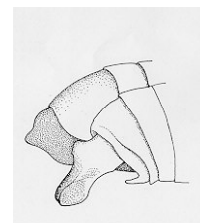

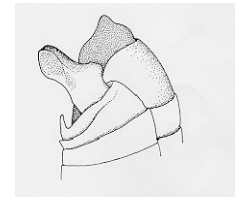

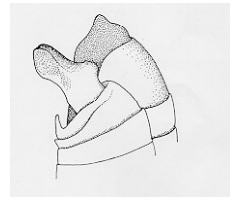

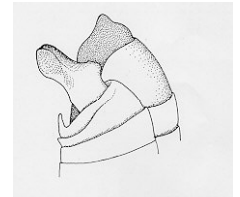

Melanoplus bivittatus

Melanoplus confusus

Melanoplus confusus

A close-up photograph of a brown and black grasshopper perched on a bright yellow flower. The grasshopper's long hind legs are prominent, and its body is covered in intricate patterns. The background is a soft, out-of-focus green. A small blue circle is located in the bottom left corner of the image.
